Description

This modern townhouse offers an appealing combination of contemporary design, comfort, and outdoor living in Jesús, one of Ibiza's most sought-after residential areas. With 178 m² of interior space and 120 m² of outdoor areas, the property is designed to enjoy both the tranquility of home and the Mediterranean lifestyle.

The ground floor features a bright, open-concept living room, connected to the outdoors by large sliding doors. The fully equipped kitchen and dining area are integrated into a functional and inviting space. A half bath and direct access to the private garage complete this floor.

Three bedrooms are located on the upper level. The master bedroom has an en-suite bathroom and large windows, while the second bedroom features a private balcony. The third bedroom can be easily adapted as an additional room, office, or multipurpose space. A second bathroom serves these two rooms.

Outside, the private pool and lounge area invite you to enjoy sunny days, while the outdoor dining space and barbecue allow for pleasant gatherings. The spacious rooftop terrace is one of the property's main attractions, offering open views of the surroundings and Dalt Vila, especially evocative at sunset. It also features an outdoor shower, ideal for cooling off after a swim or starting the day outdoors.

Jesús offers a residential environment with its own unique atmosphere and services available year-round. Its proximity to Ibiza Town, Marina Botafoch, and the beaches of Talamanca and S'Estanyol allows for combining the tranquility of a residential area with convenient access to the island's main points of interest.

A property designed for those seeking a contemporary home with a pool, privacy, and outdoor spaces, in an ideal location to enjoy Ibiza throughout the year.
