Description

Set in a tranquil environment on the west coast of Ibiza, Villa Odiya combines privacy, contemporary architecture, and the natural charm of the island. Its elevated position offers open views of the hills and the sea, with beaches and iconic sunset spots just minutes away.

Recently renovated, the villa offers bright interiors, an open-plan layout, and natural materials that provide character without sacrificing comfort. It features five suites, spacious living areas, and a modern kitchen connected to the outdoors.

The pool and terraces invite you to enjoy the Mediterranean climate, from alfresco dining to relaxing afternoons facing the horizon.

A property with its own identity and a valid tourist license, ideal both as a private residence and for those seeking an investment in Ibiza.
