Description

We present an exclusive selection of five high-standing apartments in Jesús, one of Ibiza's most sought-after locations due to its excellent position and pleasant year-round atmosphere. Just minutes from the center of Ibiza and very close to Talamanca Bay, this development combines contemporary architecture, comfort, and a privileged setting.

Marketed exclusively alongside the renowned developer Europe Estate Group, the apartments enjoy an especially attractive location, with open views of the rural landscape at the rear and toward the prestigious residential area of Can Rimbau on the main facade. A combination that provides brightness, privacy, and a pleasant sense of tranquility.

The complex features an underground garage, with a parking space assigned to each home and direct access via elevator. Its interiors also offer the possibility to customize various finishes and details, allowing each space to be adapted to the tastes and needs of its future owners.

Jesús stands out for its excellent quality of life and for having all services just a few steps away: restaurants, cafes, supermarkets, gyms, and shops. Talamanca beach is located just a few minutes' walk away, with its attractive gastronomic offerings and crystal-clear waters. An ideal location both for establishing a permanent residence and for enjoying Ibiza during vacations.
