Description

Just minutes from Ibiza Town and close to the beaches of Talamanca and S'Estanyol, this elegant villa is located in Jesús, one of the most attractive areas due to its tranquility and proximity to all amenities.

Completely renovated, the property combines contemporary architecture, minimalist lines, and a careful selection of materials. Distributed on a single floor, it stands out for its bright spaces, the predominance of white, and an imposing wooden door that leads to a spacious living room with a fireplace and decorative details integrated into the walls.

The kitchen, open to the living room, features a generous central island, a wine cellar, and high-end Bosch and Gaggenau appliances. The sleeping area has five bedrooms and four bathrooms, three of which are en-suite. Additionally, an independent bedroom with a kitchen, bathroom, and its own entrance offers extra privacy for guests or staff.

The home is completed by a large basement and an underground garage with capacity for three or four vehicles.

Outside, various terraces invite you to enjoy the Mediterranean climate. The rooftop offers magnificent panoramic views of Dalt Vila, while the garden, surrounded by greenery and fruit trees, features a solar-heated pool, jacuzzi, outdoor shower, and barbecue area. The plot is fully fenced and has private access.

A property that combines privacy, comfort, and modern design in a privileged location, ideal for enjoying the Ibiza lifestyle all year round.
