Description

Villa Can Palau is an elegant property that combines contemporary architecture, bohemian inspiration, and the natural charm of Ibiza. Located in the quiet residential area of Can Ramón, it offers five bedrooms and five bathrooms, with spaces carefully designed to enjoy comfort, privacy, and a relaxed lifestyle year-round.

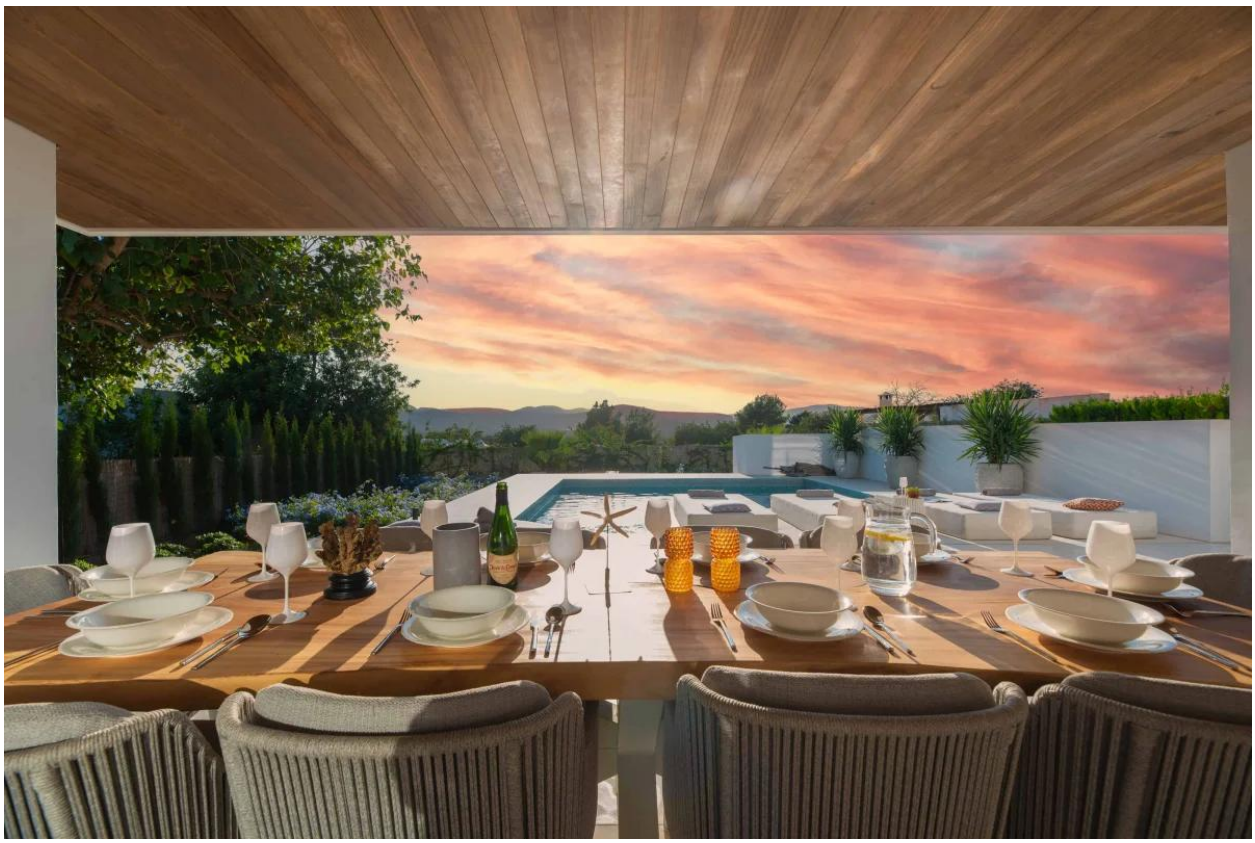

The interior is characterized by its brightness and spaciousness. The open-concept living and dining area features a designer fireplace and connects to a modern, fully equipped kitchen, highlighted by a sophisticated marble breakfast bar. The bedrooms include built-in closets and en-suite bathrooms with elegant finishes, while the master suite stands out for its freestanding bathtub and pleasant views of the natural surroundings.

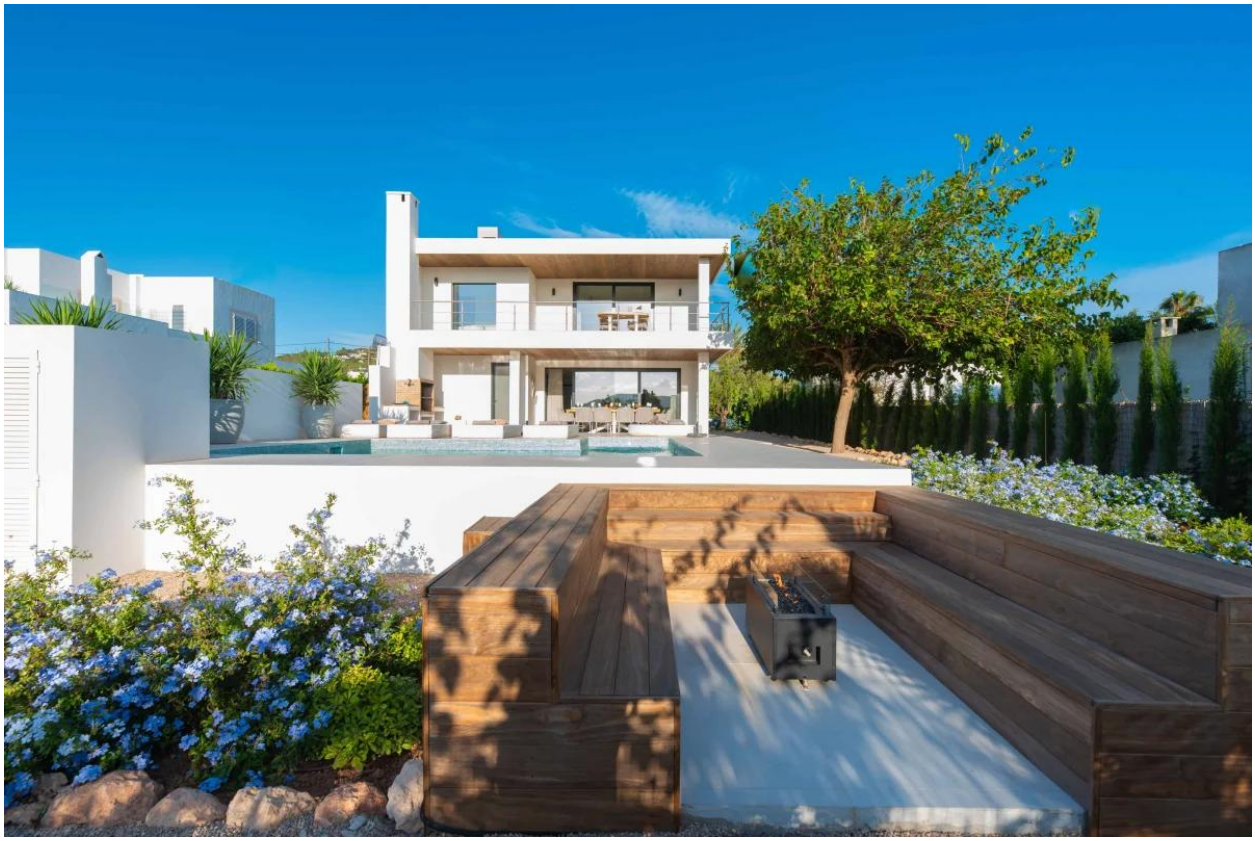

The outdoor areas invite you to fully enjoy the Mediterranean climate, featuring a private pool surrounded by lounge areas, a covered dining space, and a built-in barbecue. An outdoor lounge with a fire pit creates the perfect atmosphere for summer nights. The property is completed by a large

covered balcony, a rooftop terrace with open views of the landscape, a fully fenced plot, a garage, and parking space for several vehicles.

Its location allows for a combination of tranquility and excellent connectivity to the island's main attractions. Ibiza Town, Jesús, and Marina Botafoch are about 10 minutes away by car, while Talamanca beach and the airport are approximately 15 minutes away. An exceptional villa for those seeking a residence with personality, privileged outdoor spaces, and easy access to the beaches, gastronomy, and social life of Ibiza.
