Description

Casa Imagine B is a recently constructed villa that stands out for its contemporary architecture, high-quality finishes, and spectacular open views of the Mediterranean and Formentera. Located in Cap Martinet, one of Ibiza's most exclusive residential areas, it offers a privileged lifestyle where privacy and tranquility are combined with proximity to the island's main points of interest.

Its design focuses on spacious and bright areas, with large windows and sliding doors that integrate the interior zones with the terraces and the pool, creating an especially pleasant atmosphere to enjoy the Mediterranean climate. The property features six bedrooms, all with en-suite bathrooms, and an elevator that conveniently connects the different floors.

One of its greatest attractions is a large open-plan space with multiple customization possibilities, ideal for developing a gym, a spa and wellness area, an indoor pool, or even a private entertainment space, adapting it to the preferences of its future owners.

The location allows for walking access to Talamanca beach, Marina Botafoch, Jesús, and Seven Wellness, enjoying an excellent connection to restaurants, shops, marinas, and the leisure offerings of Ibiza Town.

Recently finished and with a Certificate of Occupancy, Casa Imagine B offers the peace of mind of acquiring a legal home that is ready to move into. It is part of an exclusive set of only two villas, this being the last unit available after the sale of its sister property.

An exceptional opportunity to acquire a newly built villa in Cap Martinet, with privileged views, spacious areas, and a location that brings together the best of the Ibizan lifestyle.
